Gary Corin, Managing Director at Specialised Exhibitions, a division of Montgomery Group.

Mark Anderson, Portfolio Director at Specialised Exhibitions, a division of Montgomery Group.

Welcome

to Securex South Africa, Facilities Management Expo, and Firexpo 2025!

A warm welcome to Securex South Africa, Facilities Management Expo, and Firexpo 2025! We're thrilled to have you join us at this dynamic, co-located event at Gallagher Convention Centre – the ultimate meeting point for professionals dedicated to creating safer, smarter, and more efficient spaces.

Across the three shows, you'll discover thousands of practical, end-to-end solutions covering safety, security, fire protection, and facilities management. Whether you're here to improve operational efficiency, enhance your building's safety standards, or explore sustainable facility solutions, you're in exactly the right place.

What makes your visit truly valuable? It's the hands-on experience. Many of our exhibitors are hosting live demos at their stands, giving you the opportunity to assess technologies in real time and make informed decisions tailored to your unique operational needs. This isn't just a chance to explore – it's a chance to engage, compare, and collaborate.

Don't miss out on these standout features:

- K9 Demonstrations in the Link Node between Halls 2 and 3 – always a crowd favourite.
- The SAIDSA Techman Competition – watch skilled technicians go head-to-head in Hall 2.
- The Drone Demonstration Area – in Hall 3 – see practical aerial solutions in action.
- The prestigious Outstanding Security Performance Awards (OSPAs), hosted in the Securex Seminar Theatre.

Our free-to-attend seminar theatres offer valuable learning opportunities:

- Securex Seminar Theatre (Hall 2), in partnership with *SMART Security Solutions*.
- Facilities Management Seminar Theatre (Hall 4)
- Firexpo Seminar Theatre (Hall 4)

Each theatre presents short, focused sessions on current trends, common challenges, and practical solutions. Full programme details can be found via the QR codes or on the information boards outside the theatres.

Explore Halls 2, 3, and 4 at your own pace, chat with knowledgeable exhibitors, and don't forget to enter the competitions at selected stands – you could walk away with more than just great insights!

We wish you a successful and rewarding experience.

24/7 Drone Force   Hall 2, Stand D14

Security service provider
Contact: Michael Lever
Tel: +27 10 140 1690
info@24-7droneforce.co.za
https://24-7droneforce.co.za/

The Docked Drone Solution utilises unmanned aircraft systems (UAS)/drones designed to conduct remote docking station operations. The drone-in-a-box solution automatically takes off, lands, and recharges from a docking station. The drones are programmed to conduct missions and are controlled and monitored by licensed BVLOS remote pilot operators from command centre.

3D Tracking   Hall 2, Stand D12a

Software platform
Contact: Sara Noone
Tel: +27 84 241 3621
sara@3dtracking.com
www.3dtracking.com

The 3D Tracking platform empowers telematics service providers (TSPs) worldwide with a seamless, feature-rich solution for fleet management, IoT and asset tracking. Built for scale and designed for ease, the company's white-label software platform supports multiple languages, is device agnostic and is fully GDPR-compliant. Global Telematics, Just Easier.

AC Screens & Shutters   Hall 2, Stand D07

Installer
Manufacturer: Made in South Africa
Contact: Richard Binns
Tel: +27 83 325 9744
jhb@acscreens.co.za
www.acscreens.co.za

Offering high security aluminium roller shutters, as well as high-quality European sun control fabrics and systems, every product is custom-made to meet individual requirements. AC Screens & Shutters are based in South Africa and have worked in many African countries, including the Seychelles.

Action Bulletproof   Hall 3, Stand E33

Distributor
Manufacturer: Made in South Africa
Contact: Angie Chislett
Tel: +27 83 200 0437
sales@actionbulletproof.co.za
www.actionbulletproof.co.za

Action Bulletproof will be showcasing bulletproof vests that are 100% locally manufactured in South Africa. SANS tested and certified, Action Bulletproof have the quickest turnaround times in the game and hold 1000 bulletproof vests at any given time. Action Bulletproof have stores around the country.

Active Track   Link Node, LN04

Distributor
Facilities management
Contact: Stephen Boulton
Tel: +27 11 551 1687
greg@activetrack.co.za
www.activetrack.co.za

Active Track specialises in workforce management and security solutions. It has in-depth experience in security, facilities management, and artificial intelligence. Backed by this expertise, Active Track offer various technologies to bolster the security, and effectiveness of facilities management in any business.

Aerial Works   Hall 2, Stand B03

Manufacturer: Made in South Africa
Drone security operator
Contact: Kim James
Tel: +27 84 023 6114
kim@aerialworks.co.za
https://aerialworks.co.za/

Drone Security Operator specialised in mining and key infrastructure security operations. South African manufacturer of Vertical Take Off and Landing (VTOL) drones. BARS registered and BBBEE level 1.

Ajax Systems   Hall 2, Stand D13

Manufacturer: Made outside of South Africa
Contact: Matt De Araujo
Tel: +27 73 373 2748
marketing@ajax.systems
www.ajax.systems

At Securex 2025, Ajax Systems will showcase cutting-edge solutions to redefine safety and convenience. There will also be a chance to connect with Ajax experts, fostering invaluable networking opportunities within the security industry. Experience live demonstrations of our newest products, showcasing their innovative capabilities in action.

Akhanani Services   Hall 4, Stand B02

Contact: Tanika McColgan
Tel: +27 67 821 2253
www.akhananiservices.co.za

Allbro   Hall 2, Stand D02

Manufacturer: Made in South Africa
Contact: Chloe Smith
Tel: +27 11 894 8341
marketing2@allbro.com
www.allbro.com

Allbro has become a leading supplier of non-metallic enclosures to the security industry. Supplying enclosures for all areas of security infrastructure, like the high security bulletproof AllVault GRP enclosure. Allbro is a South African company with more than 40 year' experience and 22 000 sqm of production facility.

Alpha Insure
Hall 2, Stand E17

Other
Contact: Lester Botha
Tel: 0861 886 886
lester@alpha.co.za
www.alpha.co.za

Working with your broker, Alpha offers market-leading insurance solutions. It provides cover for multinational corporations, local business, and individuals. Products include assets all risks, commercial, personal and lifestyle, and liability insurance. Visit Alpha Insure to learn how its insurance solutions can safeguard your business against unforeseen risks.

Altron Nexus
Hall 2, Stand C11

Contact: Sam Smith
Tel: +27 83 406 7441
www.altronnexus.com

Arteco Global Africa
Hall 2, Stand D09

Manufacturer: Made in South Africa
Manufacturer: Made outside of South Africa
Contact: Dean Sichelschmidt
Tel: +27 81 443 8583
deans@arteco-global.com
www.arteco-global.com

Arteco will showcase uSee, a VMS designed for ease of use and efficient event management. Compatible with any camera or sensor, it features uSee VCA, an advanced analytics solution with AI-powered object and behavior detection, plus a new forensics search engine that accelerates investigations.

Assetpool
Hall 4, Stand E10

Contact: Pierre van der Merwe
Tel: +27 82 388 1598
www.assetpool.com

Aten
Hall 2, Stand A03b

Contact: Benji Pienaar
Tel: +27 81 238 3992
www.aten.com

Atex Solutions
Hall 2, Stand B10a

Contact: Dayne Devenier
Tel: +27 74 715 7020
www.atexsolutions.io

AURA
Hall 2, Stand C09

Emergency service provider
Contact: Renolan Govender
Tel: +27 84 088 1534
renolang@aura.services
https://aura.services

Aura is a marketplace that enables anyone to access the closest vetted private security and medical response unit to their location anywhere, anytime using a connected device.

Avior Labs
Hall 2, Stand F31

Manufacturer: Made in South Africa
Contact: Dr Prinal Naidoo
Tel: +27 87 821 3240
drones@aviorlabs.com
www.aviorlabs.com

Avior Labs will showcase Elevation-G, a next-generation fixed-wing VTOL drone designed for advanced surveillance and security operations. With SilentFly technology for covert missions, a dual EO-IR stabilised camera, and real-time video streaming, it delivers high-performance intelligence gathering with exceptional range and endurance.

Bamogale Security Solutions
Hall 3, Stand B21
